Mr. Pietz,

I am putting you and your clients and colleagues that:

- (1) I have made a reservation for a motion to consolidate all my motions for July 14.
- (2) I am going to disqualify Judge Small
- (3) I am going to add Judge Small to my Universal Complaint list for criminal collusion
- (4) I am going to Add judge Goorvitch to my Universal Complaint list for criminal collusion
- (5) I am going to file a writ of mandate against denial of my ex parte application in April 24
- (6) I am going to add this to the list of my federal violations

Looks like you got yourselves a very expensive ride to milk your clients. Enjoy, They deserve it.

Regards,  
Diinele Dinaali
